

This paragraph appears before the table.

It should keep working as normal reflowable text after the table region is rescued.

Item	2024	2025
Revenue	128.5	156.2
Cost	84.3	97.1
Gross Profit	44.2	59.1
Net Profit	21.6	33.4
Employees	212	268

This paragraph appears after the table.

It confirms text placement and reflow still work once the table is cropped separately.
